**NOTIFICATION UNDER 37 C.F.R. 1.27(g)(2) OF LOSS OF
ENTITLEMENT TO SMALL ENTITY STATUS**

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

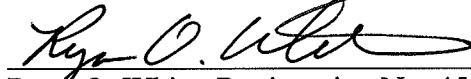

Dear Sir:

As required by 37 C.F.R. 1.27(g)(2), Applicants hereby give notice that their original claim of entitlement to receive small entity status has been lost as a result of the transfer and subsequent sublicense of the above-identified patent application. Therefore, Applicants should now be considered a large entity for purposes of calculating and paying fees with the U.S. Patent & Trademark Office as they relate to this application. As a result of this loss of entitlement to small entity status, Applicants believe that the small entity 3-Month Extension of Time fee of \$555.00 that was recently made together with the response to the Office Action dated February 6, 2009 should have been paid as a large entity rather than as a small entity. This payment error was made entirely in good faith and without intent to defraud and/or deceive the Patent Office, particularly as Applicants were unaware at that time that the sublicense had been finally executed when the Petition was filed. However, because of the change in entity status, Applicants hereby authorize the Commissioner to charge any additional fees that may now be due in connection

with the recently filed Petition fee, including the additional \$555.00 needed to satisfy the \$1,110.00 large entity fee that is required when requesting a 3-Month Extension of Time, be charged to Bose McKinney & Evans LLP's Deposit Account No. 02-3223. Acceptance of this additional payment in lieu of this deficiency is respectfully requested.

Respectfully submitted,

BOSE McKINNEY & EVANS LLP
